

FRIENDSWOOD INDEPENDENT SCHOOL DISTRICT

Stacy Daugherty, Ph.D.
Executive Director

Date: May 26, 2017

Student: Shivam Gupta

Dear Parent,

The process for evaluating your child's needs for the gifted and talented program in the Friendswood Independent School District has been completed. The criteria used is a combination of two quantitative scores that measure reasoning, ability, achievement, and creativity and two qualitative scores that may include a student work samples, a teacher survey and/or a student interview. As the following scores indicate, your child did meet the district criteria at this time and has been recommended and accepted into SEARCH (GT pull-out program) by the selection committee.

The FISD GT program was designed to encourage and promote academic excellence. The intent of this program is to provide challenging curriculum through technology, research, productive thinking and higher-level products. Your child's progress will be monitored and you will receive a progress report at the end of every nine weeks.

Please complete the parent permission page and return it to your child's homeroom teacher.

Sincerely,

Barb Kessler
