FHS Academic Decathlon finishes strong at Nationals 2024

After a successful year marking back-to-back State 5-A Championships, Ethan Yang, Evan Yang, Dylan Stopher, Shivam Gupta, and Logan Helgeson qualified to compete in USAD Nationals in Pittsburgh, Pa. this past week. After spending that time crushing the competition, these students brought home 30 individual medals at Saturday's awards ceremony, including: 7 gold medals, 14 Silver Medals, and 9 Bronze Medals. Additionally, Evan Yang finished ranked 2nd and Shivam Gupta ranked 3rd in Individual Honors, while Dylan Stopher Ranked 3rd in Individual Scholastic, and Logan Helgeson ranked 3rd in Individual Varsity.

The AD coaches cannot be prouder of the hard work, sacrifices, time, and accomplishments of these students. These students have put in over 338 school hours, 80 competition hours, countless hours studying alone and traveled over 3548 miles this school year to prove that not only is FHS the #1 school in the state, but they are the best in the nation. If you have these students or see them in the hallway, give them a shout out and let them know how great they are and what an amazing job they have done.
